

EXPERIENCE CERTIFICATE

This is to certify that **Menatalla Gomaa** worked with **BudnBed Technologies LLP** as a **Front-End Developer** intern from **Dec 8, 2025** to **Jan 31, 2026**

During this period, she was responsible for developing and maintaining front-end components, implementing UI designs, improving user experience, and collaborating closely with product and backend teams. She demonstrated strong technical skills in front-end development, attention to detail, and the ability to deliver work within deadlines.

Menatalla showed professionalism, ownership, and a good understanding of real-world product development workflows.

For any kind of verification or additional information, please contact us at **hello@budnbed.com**.

We wish her all the best for future professional endeavors.

RECOMMENDATION LETTER

I am writing this letter to recommend **Menatalla Goma**, who worked with **BudnBed Technologies LLP** as a **Front-End Developer**.

During her time with us, Menatalla contributed meaningfully to product development by translating design concepts into functional and responsive user interfaces. She demonstrated a good understanding of front-end technologies, problem-solving ability, and a strong willingness to learn and improve.

Menatalla worked responsibly both independently and within a team, handled feedback constructively, and consistently focused on improving product quality and user experience.

I believe Menatalla will be a valuable addition to any organization seeking a reliable and capable front-end developer. I confidently recommend her for future opportunities.

For any kind of verification or additional information, please contact us at **hello@budnbed.com**.
