ReDI School of Digital Integration

CERTIFICATE OF VOLUNTEER APPRECIATION

This Certificate is awarded to

Menatalla Gomaa

in recognition of the contribution to the course

Full-Stack Web Development Bootcamp

The volunteer contributed to the ReDI School of Digital Integration **Full-Stack Web Development Bootcamp** course in Berlin from the **09/09/2024** until the **31/01/2025.** The volunteering experience requires teaching, planning, coordinating and implementing a wide range of tasks and activities in cooperation with a diverse and multidisciplinary teaching team.

COURSE CONTENT

This certificate is awarded for completing the 18-week Full Stack Web Development Bootcamp. Participants gained technical skills in frontend development, mastering tools and technologies like HTML, CSS, JavaScript, and React. Students also developed soft skills like teamwork, communication, and problem-solving through collaborative projects and mentorship.

The program included hands-on technical projects such as building web pages, creating JavaScript applications, and developing React-based solutions. Students showcased their achievements on the final demo day.

RESPONSIBILITIES

Among other responsibilities, our volunteer teachers are in charge of the following tasks:
- Teaching the course to groups of 20 students in English
- Creating materials and lessons for the course
- Assessing the homework, performance and final projects of the students
- Collaborating in a team of volunteer-teachers
- Coordinating with the ReDI team to improve the courses and the student and teacher experience

Thanks to your efforts and dedication, integration is one step closer!
